Contact tracing 101.
Why you have or haven’t been contacted.

Someone around you tested positive for COVID-19?

Were you within six feet of each other for 15 minutes or more?

YES

You’re considered a close contact. Someone from the Yale Contact Tracing Team will reach out to you.

NO

Do you work in the same building?

YES

Did you share the same enclosed space during a shift?

YES

You’re considered a low-risk contact. Someone from the Yale Contact Tracing Team will reach out to you.

NO

The Yale Contact Tracing Team does not require you to be contacted.

If you think you have been exposed, call the CCRL at 203-432-6604.
